

## “HOW TO START A BETH MYRIAM”

### 1°/ Responsible Person's Commitment

- To be a local and an exclusively TLIG involved person.
- CALL: To have received “The Call” and witnessing it in writing.
- Commitment in Faith and in facts in evangelisation & prayer groups.

***A go-ahead certificate is issued by the WT coordinators***

### 2°/ Project Team Profile, Requirements, and Resources.

#### 2-1 Project team profile

- Team integrated in the local community.
- Competency (exposure, experience).
- Management and reporting ability.
- Integrity of all team members.
- Ability to cooperate in a team.

#### 2-2 Legal Requirements

- Contextually dictated (paper work: legal documents, permits etc..)
- Beth Myriam bank's account in its own name when possible.
- When not, very well documented alternative.
- Never mixing Beth Myriam's funds with one's own money.
- Good reporting skill.

#### 2-3 Project Resources

- Facilities: precise description if existing.
- If facilities are to be bought, refurbished or built: 2 or 3 financial cost estimates are needed.
- People: when required.
- Local contribution (this will show a certain degree of integration).

#### 2-4 Identify any gap between vision and practicalities.

- This is an evaluation task done in very close cooperation with the Working Team coordinators and regional coordinator.

***The Beth Myriam is published on the web as a Beth Myriam to open.***

### 3°/ Formalization of the Beth Myriam to open.

- Beth Myriam ready do open

***The Beth Myriam receives the Official Beth Myriam certificate and is published on the web.***
